[buy one way links](#) **HarvestSoft.net**

Welcome to HarvestSoft.net! This website is dedicated to help you especially in programming and life matters. We want to share our knowledge and we thank you for the privilege of sharing them with you.

**Latest News and Update**

---

**free iphone games 12 January 2006**

+ Sorry guys, I will be no longer updating this website since I am shifting from Algorithms to Computer Graphics. The Computer Graphics related website is active and can be located in [SIWare, Inc - Harvestsoft](#). Please feel free to take a look and bookmark the site!

[duplicate photo finder](#) + Guestbook link is removed since there a lot of "naughty people around" screwing up my guestbook.
